# Welcome to **Aikya Pre-University College**

---

At Aikya PU College, we don't just educate; we inspire, empower, and shape the future. Located in the heart of Jayanagar, Bangalore, our college offers more than just a classroom experience. With a state-of-the-art campus spanning over 2,00,000 square feet, we provide an exceptional environment where young minds thrive and academic excellence is the standard. Join us to unlock your potential and embark on a journey toward a successful and fulfilling future. Discover why Aikya PU College is the choice of top students in Karnataka!

## “ Message from Founder & Secretary

On behalf of the entire Aikya PU College family, I am thrilled to welcome you to our vibrant and dynamic community. At APUC, we believe that education is more than just textbooks - it's about discovering your potential, embracing new ideas, and becoming the best version of yourself.

We take pride in a community that values diversity, fosters innovation, and encourages collaboration. Here, we celebrate the unique strengths of each student and cultivate an inclusive academic environment that nurtures personal growth, inspires critical thinking, and promotes the free exchange of ideas.

As you embark on this exciting journey, know that our dedicated team is here to support and guide you every step of the way. We are committed to helping you excel academically, develop essential life skills, and equip you to navigate the challenges and opportunities that lie ahead. Together, let's make your time at Aikya PU College a transformative experience—where education becomes the foundation for your success and a brighter tomorrow.

Welcome to Aikya PU College - **where your future begins!**

Sincerely,

*Mohan Babu Krishnam*

Our  
Facilities

# Campus Infrastructure

Our campus is designed to provide a modern, comfortable learning environment that fosters student success. We offer state-of-the-art facilities, including a well-stocked library, fully-equipped laboratories, a spacious auditorium, and a wide variety of sports amenities. The infrastructure has been thoughtfully developed to enhance student learning, support faculty research, and improve the overall campus experience.

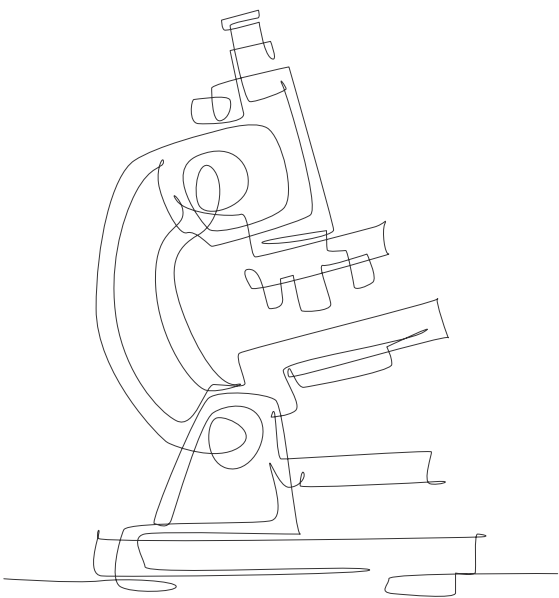

# Library

Our library is richly stocked with a diverse collection of books and publications to support learning and broaden the knowledge of our students. In addition to traditional resources, we offer an extensive range of digital materials, including e-books, journals, and databases, ensuring students have access to up-to-date and comprehensive information. The library also provides internet and Wi-Fi access, equipping students with the tools they need to thrive in a knowledge-driven world.

# Laboratory

Our laboratories are outfitted with the latest technologies and resources, providing students with the opportunity to gain hands-on experience and hone their skills. Regularly updated with state-of-the-art equipment and materials, these labs ensure that students have access to the best possible tools for their learning. The controlled, well-maintained environment supports scientists, researchers, and students alike, enabling them to conduct experiments and explore innovative solutions to drive their academic and professional growth.

# Sports

Our sports facilities cater to a wide range of outdoor and indoor activities, including basketball, football, volleyball, and badminton. In addition, we offer a fully-equipped gymnasium and a swimming pool, providing students with ample opportunities to engage in and excel at various extracurricular pursuits. The sports area is well-equipped with diverse facilities and equipment to support a variety of sports and fitness activities, ensuring that students have everything they need to stay active, healthy, and competitive.
